# Youth Development Digest

The Youth Development Digest (YDD) was designed with young readers in mind. From promoting upcoming events to showcasing powerful youth in our country, YDD is a resource that highlights current topics, issues, and opportunities for young people today.

*Adult allies: Share with your youth; Youth leaders: Share with your peers*

### Champions for Colorado School-Based Clinics

Youth Healthcare Alliance's Youth Advisory Board (YAB) is starting a 3rd term in the fall of 2025 to run through the school year ending in May 2026, and they are looking to fill 3 spots that will be empty after the current term ends in June.

The Youth Healthcare Alliance is recruiting youth who are interested in health, professional development opportunities, and advocacy and are between ages 14-21 from anywhere in Colorado. Stipends are included and travel is reimbursed.

## National Network For Youth's New Youth Action Leadership Certificate

The National Network for Youth is excited to announce their new Youth Action Leadership Certificate. This certificate program is designed to equip young advocates with the tools to lead systemic change. It builds on their Local Cross Systems Collaboratives work and is guided by direct input from youth and young adults with lived expertise. Young leaders are stepping up to drive change, and this program gives them the skills, knowledge, and confidence to make a lasting impact.

# Youth Advisory Council

## Content Corner

This month, our Youth Advisory Council has been busy preparing for our upcoming summer youth conference, 'Be the Change' Youth Training Program, finalizing event details, and planning engaging sessions for attendees. In addition, we've been finalizing our cohort of passionate young individuals who will join the council next term. Our council members are excited to shape future youth leadership and collaboration opportunities.

### Youth Development Mapping Tool

Mapping tool utilizes our latest Youth Development Survey data and Geographic Information System (GIS) technology to offer an interactive map of the connection between youth development and school-based health care. This tool is useful for everyone—youth and adults alike—to learn about youth-serving organizations and youth development-focused SBHCs across nationwide, connect with other groups by location or interest, and share community through knowledge and resource sharing. Use the features below to start searching! Don't see your SBHC or organization? Go to our [request forms page](#) and add your data.

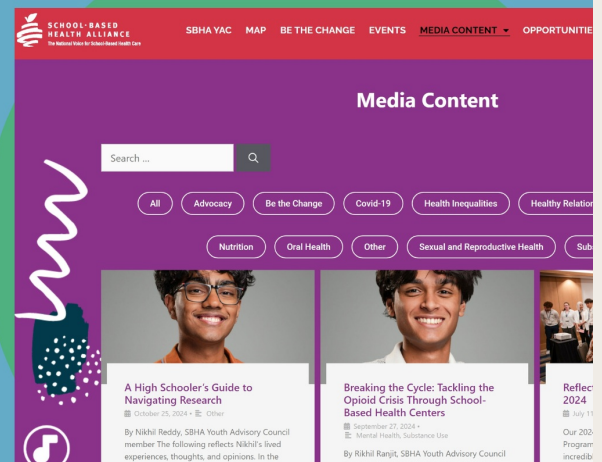

## Do you have something you want to share?

Do you or someone you know want to be highlighted on our website? Do you have any events coming up at your school or school-based health centers? Are there any webinars or conferences concerning youth development?

Submit an article or blog post you believe should be in the spotlight of future digests related to health and/or youth development topics, as well as events or nominations, through the Youth Health Hub!
