WWE Elimination Chamber 2026 is one of the most important events on the road to WrestleMania, and this year's stop at Chicago's United Center adds even more buzz with hometown star CM Punk in the spotlight.

WWE Elimination Chamber 2026 fight card

Randy Orton vs. LA Knight vs. Cody Rhodes vs. Je'Von Evans vs. Trick Williams vs. Jey Uso in a Women's Elimination Chamber match

Tiffany Stratton vs. Rhea Ripley vs. Alexa Bliss vs. Asuka vs. Kiana James vs. Raquel Rodriguez in a Men's Elimination Chamber Match

CM Punk (c) vs. Finn Balor for the World Heavyweight Championship
Becky Lynch (c) vs. AJ Lee for the WWE Women's Intercontinental Championship

The event features two Elimination Chamber matches.

A chain-linked steel structure surrounds a ring. Six competitors are in the match. Four are in pods, and two start things off in the ring. The wrestlers in pods enter the contest after a set timer. The only way to win is by pinning or submitting every competitor until one participant is left.

There's a theme of the old guard vs. the new guard in both the men's and women's matches.

The men's match sees Randy Orton vs. LA Knight vs. Cody Rhodes vs. Je'Von Evans vs. Trick Williams vs. Jey Uso. The women's match will see Tiffany Stratton vs. Rhea Ripley vs. Alexa Bliss vs. Asuka vs. Kiana James vs. Raquel Rodriguez.

Power couple CM Punk and AJ Lee are also on the card.

Punk defends the World Heavyweight Championship against Finn Balor. Can Punk hold onto the title against The Judgement Day's Balor before facing Roman Reigns at WrestleMania? Meanwhile, AJ competes in her first singles match since 2015, when she challenges Becky Lynch for the WWE Women's Intercontinental Championship.

We've got CM Punk returning to his home town to defend the World Heavyweight Championship

against Finn Balor. While Punk has a 'Mania 42 match with Roman Reigns booked in, that could all change should the Prince get the better of the Second City Saint. And with CM Punk having picked up a win over Balor in Belfast, Northern Ireland last month, the Judgment Day man is out for some sweet revenge as he looks to win a first World Title since his one-day reign as the Universal Champion all the way back in 2016.

Also sure to get a white-hot reception is AJ Lee, who's called Chicago home for years. She has a chance to capture the Women's Intercontinental Championship when she faces Becky Lynch at WWE Elimination Chamber. Having made her shock return last year, Lee has managed to outdo Becky at Wrestlepalooza and Survivor Series: WarGames, and likewise played a role in the Man initially losing that Intercontinental Title to Maxxine Dupri back in November. Should AJ Lee get one over on Becky Lynch again at Elimination Chamber, that means she'll be walking out of the United Center as the new IC Champ.

Of course, WWE Elimination Chamber is famed for its titular bouts, with the winners of these two matches earning themselves a spot at WrestleMania 42, with shots on the line for Jade Cargill's WWE Women's Title and Drew McIntyre's WWE Title.

In the women's Elimination Chamber contest, it's Tiffany Stratton, Rhea Ripley, Alexa Bliss, Asuka, Kiana James and Raquel Rodriguez going at it, all aiming to get a crack at Cargill and the WWE Women's Championship at the Showcase of the Immortals. In terms of favorites, Stratton and Ripley seem to be leading the odds right now, but don't rule out a possible win for Alexa.

Over in the men's Chamber, we have Randy Orton, LA Knight, Je'Von Evans, Cody Rhodes, Trick Williams and Jey Uso, all lining up to try and get to Drew McIntyre and the WWE Championship at WrestleMania 42. While Orton and Rhodes seem the most likely winners, there could be some sort of shenanigans here, as recent rumors suggest McIntyre may end up defending his belt in a multi-man match by the time 'Mania rolls around.

The pay-per-view event will be taking place at the United Center, in Chicago, the largest indoor arena in the US. This will be the first WWE Premium Live Event to be organised at the venue in more than three decades. SummerSlam was the first sports event to open in August 1994.

WWE kicked off the WrestleMania 42 season last month with Roman Reigns and Liv Morgan's victories at the Royal Rumble 2026 event. However, there is still much to be determined in Chicago. The ramifications from the PPV event are expected to be significant and far-reaching for the WWE universe.

The match will see Tiffany Stratton vs Asuka vs Alexa Bliss vs Rhea Ripley vs Raquel Rodriguez vs Kiana James. Stratton, who returned from injury at Royal Rumble, emerged as the first one to qualify after defeating Chelsea Green and Lash Legend. Ripley entered the match after taking down Lyra Valkyria and Ivy Nile.

Bliss, meanwhile, secured her berth after defeating Women's United States Champion Giulia

and Zelina. Asuka earned her place in the match after taking down Bayley and Nattie, while James upset Charlotte Flair and Nia Jax to take her spot. Rodriguez became the final one to join the match after securing the last spot by taking down IYO SKY and Kairi Sane.
